## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
IsraAID (US) Global Humanitarian Assistance, Inc.

### **Opinion**

We have audited the financial statements of IsraAID (US) Global Humanitarian Assistance, Inc. (Organization), which comprise the statements of financial position as of December 31, 2022 and 2021, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## NOTES TO FINANCIAL STATEMENTS

---

### NOTE 1 – NATURE OF ORGANIZATION

The IsraAID (US) Global Humanitarian Assistance, Inc. (Organization) is an independent 501(c)(3) organization founded in 2013 to provide lifesaving, immediate disaster relief and long-term support services for people affected by the trauma of crisis and displacement worldwide caused by natural and manmade disaster, disease and civil upheaval. This includes supporting disaster relief programs that not only respond to immediate, basic needs of affected communities, but afterwards provide training and capacity building so local communities will have the tools, skills and resilience to support themselves. In addition, the Organization educates the public on global humanitarian issues and engages professional volunteers and partners to support disaster relief activities that transform the trauma and grief of disasters through creative and effective techniques.

### NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

#### Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

#### Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Cash and Cash Equivalents

The Organization considers all cash and highly liquid financial instruments purchased with maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents.

#### Investments

The Organization records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, and realized and unrealized capital gains and losses, less investment expenses.

# ISRAAID (US) GLOBAL HUMANITARIAN ASSISTANCE, INC.

## NOTES TO FINANCIAL STATEMENTS

---

### NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

#### Grants and Contributions Receivable

The Organization records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in grants and contribution revenue in the statements of activities. The Organization determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Management determined at December 31, 2022 and 2021 that no allowance was necessary.

#### Net Assets

Net assets and revenue, gains, and losses are classified based on donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- *Net assets without donor restrictions* – net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.
- *Net assets with donor restrictions* – net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. The Organization reports contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

#### Contributed Services

The Organization records various types of in-kind support, including professional services and travel as contribution revenue. Contributed professional services are recognized if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services are comprised of legal services valued at the fair value of current hourly rates for similar services. There was no donated legal expense as of December 31, 2022. The related legal expense as of December 31, 2021, amounted to \$40,307, and is included in program services professional fees and services on the accompanying statements of functional expenses. Contributions of travel costs are recognized based on the retail value that would be paid for purchasing similar travel on the date of donation. There was no donated travel as of December 31, 2022. The related travel as of December 31, 2021, amounted to \$8,184, and is included in fundraising travel on the accompanying statements of functional expenses.

**ISRAAID (US) GLOBAL HUMANITARIAN ASSISTANCE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

---

**NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)**

Revenue Recognition

Revenue is recognized when earned.

Grants and contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received.

Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. Conditional grants and contributions are reported as net assets without donor restrictions when the condition and restriction are both met in the same reporting period. As of December 31, 2022 and 2021, there were no conditional promises to give.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Expenses that can be identified with a specific program or supporting service are charged directly to the related program or service. The majority of the Organization's expenditures are direct. Salary and related personnel costs, as well as management and general costs are allocated based on time spent on each activity.

Income Taxes

The Organization is exempt from income taxes under Internal Revenue Code §501(c)(3). Management has analyzed the tax positions taken by the Organization, and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Concentrations of Risk

The Organization manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, the Organization has not experienced losses in any of these accounts.

Credit risk associated with grants and contributions receivable is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from Board members and foundations supportive of the Organization's mission.

For the year ended December 31, 2022, two donors comprise 62% of grants and contributions receivable. For the year ended December 31, 2021, three donors comprise 70% of grants and contributions receivable and two donors provided 23% of the Organization's grants and contributions.

**ISRAAID (US) GLOBAL HUMANITARIAN ASSISTANCE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

---

**NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)**

Change in Accounting Principle

During September 2020, the FASB issued ASU 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which enhances the presentation and disclosure requirements in U.S. GAAP to provide transparency of contributed nonfinancial assets, including fixed assets (such as, land, buildings and equipment), use of fixed assets or utilities, materials and supplies, intangible assets, services, and unconditional promises of those assets. The new standard should be applied on a retrospective basis. ASU 2020-07 is effective for fiscal years beginning after June 15, 2021, and early adoption is permitted. The adoption of this accounting standard did not have a material effect on the Organization’s financial statements.

Subsequent Events

Management has evaluated subsequent events through November 29, 2023, the date which the financial statements were available to be issued.

**NOTE 3 – FINANCIAL ASSETS AND LIQUIDITY RESOURCES**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statements of financial position date, comprise the following:

	<b>2022</b>	<b>2021</b>
Cash and cash equivalents	\$ 3,061,980	\$ 2,941,434
Investments	2,561	4,085
Grants and contributions due in one year	1,528,802	2,575,378
Financial assets available to meet general expenditures within one year	<b>\$ 4,593,343</b>	<b>\$ 5,520,897</b>

The Organization considers grants and contributions restricted for programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

**ISRAID (US) GLOBAL HUMANITARIAN ASSISTANCE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE 4 – GRANTS AND CONTRIBUTIONS RECEIVABLE**

Grants and contributions receivable at December 31, 2022, are estimated to be collected as follows:

	<b>2022</b>	<b>2021</b>
Within one year	\$ 1,528,802	\$ 2,575,378
In one to five years	635,000	1,725,500
	2,163,802	4,300,878
Less discount at net present value (1.90%)	(26,811)	(43,701)
	<b>\$ 2,136,991</b>	<b>\$4,257,177</b>

**NOTE 5 – NET ASSETS WITH DONOR RESTRICTIONS**

As of December 31, 2022 and 2021, net assets with donor restrictions are restricted for the following purposes or periods:

	<b>2022</b>	<b>2021</b>
<i>Subject to expenditure for a specified purpose</i>		
International Aid	\$ 3,062,053	\$ 3,425,974
U.S. Operations	346,966	346,966
	3,409,019	3,772,940
<i>Subject to the passage of time</i>		
Promises to give that are not restricted by donors, but which are unavailable for expenditures until due	1,470,190	3,150,375
	<b>\$ 4,879,209</b>	<b>\$ 6,923,315</b>

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or through the passage of time as follows for the years ended December 31, 2022 and 2021:

	<b>2022</b>	<b>2021</b>
<i>Satisfaction of purpose restriction</i>		
International Aid	\$ 6,393,334	\$ 3,740,610
U.S. Operations	-	10,304
	6,393,334	3,750,914
<i>Subject to the passage of time</i>		
Promises to give that are not restricted by donors, but which are unavailable for expenditures until due	2,117,076	2,074,005
	<b>\$ 8,510,410</b>	<b>\$ 5,824,919</b>

**ISRAAID (US) GLOBAL HUMANITARIAN ASSISTANCE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

---

**NOTE 6 – RELATED PARTY TRANSACTIONS**

The Organization is an independent affiliate of IsraAID GLOBAL, an international humanitarian assistance organization. One member of the governing board of IsraAid GLOBAL serves on the board of directors of the Organization. In 2022 and 2021, the Organization made grants totaling \$9,343,413 and \$6,395,879, respectively, to IsraAID GLOBAL affiliates.

In 2022 and 2021, the Organization also received \$340,550 and \$374,717, respectively, in contributions from board members.
